

## *St David Fall Fair*

*October 11<sup>th</sup> and 12<sup>th</sup>*

We are happy to bring back the St. David Fall Fair. Students, with their family, can collect and begin constructing amazing creations for this special event. Creations are to be made at home and brought to school for display. Students can enter as many categories as they like. Upon arrival at school on the morning of Tuesday, October 11<sup>th</sup>, students are to bring their entries into the gym to the appropriate labeled sections. Classes will be invited to visit the gym throughout the day to view the entries.

Please complete the entry tags with the student's name, grade and category they are entering. All items will be returned at the end of the day on October 12<sup>th</sup> for students to take home again.

### **The categories are as follows:**

- Fall Floral Arrangement
- Pinecone Animal
- Tallest Weed
- Seed Picture
- Fall Poem (student written)
